Med Associates: Wireless Running Wheel Hub

RRID:SCR_024880

Type: Tool

Proper Citation

Med Associates: Wireless Running Wheel Hub (RRID:SCR_024880)

Resource Information

URL: <https://med-associates.com/product/wireless-device-usb-hub/>

Proper Citation: Med Associates: Wireless Running Wheel Hub (RRID:SCR_024880)

Description: Device connects wireless running wheels to data acquisition computer via a USB cable. All wheels must be set to the same address as the hub with which they communicate. Hub relays data to Wheel Manager Software.

Resource Type: instrument resource

Keywords: MedAssociates Inc, connect wireless running wheels to data acquisition computer,

Availability: Restricted

Resource Name: Med Associates: Wireless Running Wheel Hub

Resource ID: SCR_024880

Alternate IDs: Model_Number_DIG-807

Record Creation Time: 20240113T050240+0000

Record Last Update: 20260808T190714+0000

Ratings and Alerts

No rating or validation information has been found for Med Associates: Wireless Running Wheel Hub.
