JACUSA2

RRID:SCR_025104

Type: Tool

Proper Citation

JACUSA2 (RRID:SCR_025104)

Resource Information

URL: <https://github.com/dieterich-lab/JACUSA2>

Proper Citation: JACUSA2 (RRID:SCR_025104)

Description: Software tool to detect single nucleotide variants by comparing data from next-generation sequencing experiments. Variant caller to detect single nucleotide variant positions from comparing RNA-DNA and/or RNA-RNA sequencing samples. JACUSA2 is one-stop solution to detect single nucleotide variants and reverse transcriptase induced arrest events in Next-generation sequencing data.

Synonyms: JACUSA

Resource Type: data processing software, software application, data analysis software, software resource

Defining Citation: [PMID:28049429](#)

Keywords: accurate Variant assessment, detect single nucleotide variants, comparing data, next-generation sequencing experiments, RNA-DNA, RNA-RNA, sequencing samples comparison,

Funding: Max Planck Society

Availability: Free, Available for download, Freely available

Resource Name: JACUSA2

Resource ID: SCR_025104

Alternate URLs: <https://github.com/dieterich-lab/JACUSA>

License: GNU GPL v3

Record Creation Time: 20240318T174908+0000

Ratings and Alerts

No rating or validation information has been found for JACUSA2.

No alerts have been found for JACUSA2.

Data and Source Information
