University of Pittsburgh Single Cell Core Facility

RRID:SCR_025110
Type: Tool

Proper Citation

University of Pittsburgh Single Cell Core Facility (RRID:SCR_025110)

Resource Information

URL: https://singlecell.pitt.edu/

Proper Citation: University of Pittsburgh Single Cell Core Facility (RRID:SCR_025110)

Description: Core offers single cell sequencing. Provides analysis of transcriptomics, proteomics and epigenomics at single cell level. Provides comprehensive approach for cell characterization and gene expression profiling. Services include single cell gene expression, immune profiling, ATAC, and multiome analysis.

Synonyms: University of Pittsburgh Single Cell Core

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, single cell sequencing, analysis, transcriptomics, proteomics, epigenomics

Resource Name: University of Pittsburgh Single Cell Core Facility

Resource ID: SCR_025110

Alternate IDs: ABRF_2669

Alternate URLs: https://coremarketplace.org/?FacilityID=2669&citation=1

Record Creation Time: 20240318T174908+0000

Record Last Update: 20260805T044541+0000

Ratings and Alerts

No rating or validation information has been found for University of Pittsburgh Single Cell Core Facility.

No alerts have been found for University of Pittsburgh Single Cell Core Facility.
