Proper Citation: University of South Carolina Electron Microscopy Core Facility (RRID:SCR_026179)

Description: Electron Microscopy Center at USC is core facility providing all levels of technical support and consultation in area of light microscopy, electron microscopy, and elemental analysis. Provides microscopy and specimen preparation services for biological and materials science research. Offers training and access to all microscopes and ancillary equipment.

Abbreviations: EMC

Synonyms: University of South Carolina Electron Microscopy Center

Resource Type: access service resource, core facility, service resource

Keywords: EM, microscopy, elemental, light microscopy, electron microscopy, elemental analysis,

Availability: Open

Resource Name: University of South Carolina Electron Microscopy Core Facility

Resource ID: SCR_026179

Alternate IDs: ABRF_2989

Alternate URLs: <https://coremarketplace.org/?FacilityID=2989&citation=1>,
