Proper Citation: Xstrahl: Small Animal Radiation Research Platform (SARRP) system
(RRID:SCR_026901)

Description: System used for in vivo radiation therapy and imaging of in vivo radiation therapy and imaging, like mice and rats, in order to study tumor and normal tissue responses to radiation. It combines micro-CT imaging with conformal radiation delivery, allowing researchers to image small tumors and organs, then precisely deliver radiation therapy with sub-millimeter accuracy.

Synonyms: Small Animal Radiation Research Platform (SARRP) system

Resource Type: instrument resource

Keywords: in vivo radiation therapy and imaging, small animals, mice, rats, study tumor and normal tissue, responses to radiation,

Specification URL: https://raw.githubusercontent.com/SciCrunch/RRID-Instruments/refs/heads/main/PDF/SCR_026901.pdf

Resource Name: Xstrahl: Small Animal Radiation Research Platform (SARRP) system

Resource ID: SCR_026901

Record Creation Time: 20250506T060554+0000

Record Last Update: 20260801T191356+0000

Ratings and Alerts

No rating or validation information has been found for Xstrahl: Small Animal Radiation Research Platform (SARRP) system.

No alerts have been found for Xstrahl: Small Animal Radiation Research Platform (SARRP) system.
