Proper Citation: BTE-RAG (RRID:SCR_027297)

Description: Software application for BTE RAG implementation for DMDDB QA datasets. Provides implementation of BTE-RAG framework, designed specifically for retrieval-augmented question answering (QA) in biomedical contexts. BTE-RAG leverages explicit mechanistic knowledge retrieval from BioThings Explorer (BTE) to significantly enhance the accuracy and reliability of large language models (LLMs) on biomedical benchmarks.

Resource Type: software application, software resource, source code

Keywords: retrieval-augmented question answering in biomedical contexts, retrieval-augmented question answering, BTE RAG implementation, DMDDB QA datasets,

Availability: Free, Available for download, Freely available,

Resource Name: BTE-RAG

Resource ID: SCR_027297

License: MIT license

Record Creation Time: 20250811T213302+0000

Record Last Update: 20260815T183249+0000

Ratings and Alerts

No rating or validation information has been found for BTE-RAG.

No alerts have been found for BTE-RAG.
