Proper Citation: tidygraph (RRID:SCR_027617)

Description: Software R package as Tidy API for graph manipulation. Graph can be thought of as two tidy data frames describing node and edge data respectively. Used to manipulate these two virtual data frames using API defined in the 'dplyr' package, as well as provides tidy interfaces to a lot of common graph algorithms.

Resource Type: software toolkit, source code, software resource

Keywords: Tidy API, graph manipulation, node and edge data,

Availability: Free, Available for download, Freely available,

Resource Name: tidygraph
