BoneMarrowMap

RRID:SCR_028324

Type: Tool

Proper Citation

BoneMarrowMap (RRID:SCR_028324)

Resource Information

URL: <https://github.com/andygxzeng/BoneMarrowMap>

Proper Citation: BoneMarrowMap (RRID:SCR_028324)

Description: Software R package to enable rapid reference mapping and annotation of new scRNA-seq data across the spectrum of normal and malignant hematopoietic contexts. Single cell RNA-seq reference map of human hematopoietic development in the bone marrow, with balanced representation of hematopoietic stem and progenitor cells and differentiated populations.

Resource Type: software toolkit, source code, software resource

Defining Citation: [PMID:40294241](#)

Keywords: bone marrow AML acute myeloid leukemia scRNA-seq, reference mapping and annotation, scRNA-seq data, hematopoietic context, reference map, human hematopoietic development, bone marrow,

Funding: NCI P30 CA021765;
NCI R35 CA197695

Availability: Free, Available for download, Freely available

Resource Name: BoneMarrowMap

Resource ID: SCR_028324

License: GNU GPL v3

Record Creation Time: 20260424T054037+0000

Record Last Update: 20260815T183320+0000

Ratings and Alerts

No rating or validation information has been found for BoneMarrowMap.

No alerts have been found for BoneMarrowMap.
