Type: Tool

Proper Citation

Children's Hospital of Philadelphia CHOP Small Animal Imaging Facility SAIF Core Facility (RRID:SCR_028405)

Resource Information

URL: <https://www.research.chop.edu/small-animal-imaging-facility>

Proper Citation: Children's Hospital of Philadelphia CHOP Small Animal Imaging Facility SAIF Core Facility (RRID:SCR_028405)

Description: Core serves CHOP researchers with translational imaging capabilities. Provided imaging platform integrates multiple modalities including MRI, PET, CT, Optical, and US for monitoring disease progression and therapeutic response in vivo in small animal models. Services include Selecting the optimal imaging modality, Design and optimization of acquisition protocols, Expert execution of in vivo imaging experiments, Training for new users on image acquisition, Advanced data analysis and project management. Provides technical expertise and translational capability.

Synonyms: , Small Animal Imaging Facility (SAIF)

Resource Type: core facility, access service resource, service resource

Keywords: ABRF, imaging, small animal,

Resource Name: Children's Hospital of Philadelphia CHOP Small Animal Imaging Facility SAIF Core Facility

Resource ID: SCR_028405

Alternate IDs: ABRF_5921
