Resource Information

URL: <https://chop.ilab.agilent.com/sc/5558/chop-engineered-cell-therapy-core/?tab=about>

Proper Citation: Children's Hospital of Philadelphia CHOP Engineered Cell Therapy Core Facility (RRID:SCR_028415)

Description: Core provides services and expertise to advance chimeric antigen receptor (CAR) T or other cell therapy research. Services include guidance in the design, construction, and selection of CARs and other cell therapies against a multitude of targets and diseases. Core offers small-scale lentivirus production and small-scale T cell transduction and expansion for experimental purposes.

Synonyms: CHOP Engineered Cell Therapy Cores

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, chimeric antigen receptor (CAR) T, cell therapy research services, small-scale lentivirus production, small-scale T cell transduction and expansion,

Availability: Open

Resource Name: Children's Hospital of Philadelphia CHOP Engineered Cell Therapy Core Facility

Resource ID: SCR_028415
