Resource Information

URL: <http://www.bioconductor.org/packages/release/bioc/html/flowBin.html>

Proper Citation: flowBin (RRID:SCR_000051)

Description: A software package to combine flow cytometry data that has been multiplexed into multiple tubes with common markers between them. It establishes common bins across tubes in terms of the common markers, then determines expression within each tube for each bin in terms of the tube-specific markers.

Synonyms: flowBin - Combining multitube flow cytometry data by binning

Resource Type: software resource

Defining Citation: [PMID:25600947](#)

Keywords: software package, flow cytometry data, r, cell based assay, expression

Funding: Canadian Cancer Society ;
International Society for the Advancement of Cytometry ;
