Laser Biomedical Research Center

RRID:SCR_000106

Type: Tool

Proper Citation

Laser Biomedical Research Center (RRID:SCR_000106)

Resource Information

URL: <http://web.mit.edu/spectroscopy/facilities/lbrc.html>

Proper Citation: Laser Biomedical Research Center (RRID:SCR_000106)

Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on July 31,2025. Biomedical technology research center that develops basic scientific understanding and new techniques required for advancing clinical applications of lasers and spectroscopy. LBRC merges optical spectroscopy, imaging, scattering, and interferometry techniques to study biophysics and biochemistry of healthy and diseased biological structures from subcellular to entire-organ scale.

Abbreviations: LBRC

Synonyms: MIT Laser Biomedical Research Center, Laser Biomedical Research Center (LBRC)

Resource Type: access service resource, service resource, biomedical technology research center

Keywords: spectroscopy, laser, biomedicine, optical spectroscopy, imaging, scattering, interferometry, optical probe, microscopy

Related Condition: Pre-cancer, Cancer, Atherosclerosis, Healthy, Diseased

Funding: NIBIB 4P41EB015871-30

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Laser Biomedical Research Center

Resource ID: SCR_000106

Alternate IDs: nlx_152645

Record Creation Time: 20220129T080159+0000

Record Last Update: 20260804T043057+0000

Ratings and Alerts

No rating or validation information has been found for Laser Biomedical Research Center.

No alerts have been found for Laser Biomedical Research Center.
