Proper Citation: Washington University School of Medicine Knight Alzheimers Disease Research Center (RRID:SCR_000210)

Description: The Charles F. and Joanne Knight Alzheimer Disease Research Center (Knight ADRC) supports researchers and our surrounding community in their pursuit of answers that will lead to improved diagnosis and care for persons with Alzheimer disease (AD). The Center is committed to the long-term goal of finding a way to effectively treat and prevent AD. The Knight ADRC facilitates advanced research on the clinical, genetic, neuropathological, neuroanatomical, biomedical, psychosocial, and neuropsychological aspects of Alzheimer disease, as well as other related brain disorders.

Abbreviations: ADRC, Knight ADRC

Synonyms: Knight Alzheimers Disease Research Center, Washington University School of Medicine in St. Louis Knight ADRC, ADRC, WU Knight ADRC, WUADRC, Knight ADRC, Knight Alzheimer's Disease Research Center, Charles F. and Joanne Knight Alzheimer's Disease Research Center

Resource Type: tissue bank, organization portal, material resource, portal, brain bank, biomaterial supply resource, data or information resource

Keywords: genetic, alzheimers disease, biomedical, brain, clinical, cure, dementia, development, disease, neuroanatomical, neurodegenerative disease, neuropathological, neuropsychological, research, senile, treatment, aging

Related Condition: Alzheimer's disease, Dementia, Aging

Funding: NIA P50 AG05681

Availability: Available to affiliated researchers, Public

Resource Name: Washington University School of Medicine Knight Alzheimers Disease Research Center

Resource ID: SCR_000210

Alternate IDs: SCR_008779, nif-0000-11285, nlx_144153

Record Creation Time: 20220129T080200+0000

Record Last Update: 20260804T043059+0000

Ratings and Alerts

No rating or validation information has been found for Washington University School of Medicine Knight Alzheimers Disease Research Center.

No alerts have been found for Washington University School of Medicine Knight Alzheimers Disease Research Center.
