Reprever

RRID:SCR_000463

Type: Tool

Proper Citation

Reprever (RRID:SCR_000463)

Resource Information

URL: <http://sourceforge.net/projects/reprever/?source=directory>

Proper Citation: Reprever (RRID:SCR_000463)

Description: Software that identifies (a) the insertion breakpoints where the extra duplicons inserted into the donor genome and (b) the actual sequence of the duplicon for any genomic regions that are increased in copy number.

Abbreviations: Reprever

Synonyms: Reprever: resolving low-copy duplicated sequences using template drive

Resource Type: software resource

Defining Citation: [PMID:23658221](#)

Keywords: genomics, genomic region, insertion breakpoint, insertion, breakpoint, duplicon, genome

Availability: Free, Available for download, Freely available

Resource Name: Reprever

Resource ID: SCR_000463

Alternate IDs: OMICS_01561

Record Creation Time: 20220129T080201+0000

Record Last Update: 20260801T190114+0000
