Proper Citation: Community Health Sciences (RRID:SCR_000794)

Description: A school for education on community health sciences based out of the University of Nottingham. The school contains the divisions of epidemiology, public health, primary care, psychiatry, rehabilitation and aging. The common thread running through each of these divisions is that they all deal with communities, whether these be the entire populations of a region or country, or particular patient groups such as the mentally ill, people with disabilities, and elderly people.

Synonyms: School of Health Sciences

Resource Type: continuing medical education, data or information resource, graduate school resource, organization portal, portal, postdoctoral program resource, training resource

Keywords: education, medical, community, health, science, psychiatry, public health, epidemiology, primary care, rehabilitation, aging, mentally ill, disability, elderly

Related Condition: Aging

Resource Name: Community Health Sciences

Resource ID: SCR_000794

Alternate IDs: nif-0000-31446

Record Creation Time: 20220129T080203+0000

Record Last Update: 20260905T132425+0000
