SNPchip

RRID:SCR_001269 Type: Tool

Proper Citation

SNPchip (RRID:SCR_001269)

Resource Information

URL: http://www.bioconductor.org/packages/2.0/bioc/html/SNPchip.html

Proper Citation: SNPchip (RRID:SCR_001269)

Description: Software package that contains classes and methods useful for storing, visualizing and analyzing high density SNP data. Originally developed from the SNPscan web-tool, SNPchip utilizes S4 classes and extends other open source R tools available at Bioconductor, including the R packages Biobase and oligo. This has numerous advantages, including the ability to build statistical models for SNP-level data that operate on instances of the class, and to communicate with other R packages that add additional functionality.

Abbreviations: SNPchip

Resource Type: software resource

Defining Citation: PMID:17204461

Keywords: dna copy number, snp, genetic variability, visualization, high throughput, snp chip, microarray, bio.tools

Funding:

Availability: GNU General Public License, v2 or newer

Resource Name: SNPchip

Resource ID: SCR_001269

Alternate IDs: OMICS_02069, biotools:snpchip

Alternate URLs: https://bio.tools/snpchip

Record Creation Time: 20220129T080206+0000

Record Last Update: 20250420T014024+0000

Ratings and Alerts

No rating or validation information has been found for SNPchip.

No alerts have been found for SNPchip.
