OCplus

RRID:SCR_001342

Type: Tool

Proper Citation

OCplus (RRID:SCR_001342)

Resource Information

URL: http://www.bioconductor.org/packages/release/bioc/html/OCplus.html

Proper Citation: OCplus (RRID:SCR_001342)

Description: Software package that allows to characterize the operating characteristics of a microarray experiment, i.e. the trade-off between false discovery rate and the power to detect truly regulated genes. The package includes tools both for planned experiments (for sample size assessment) and for already collected data (identification of differentially expressed genes).

Abbreviations: OCplus

Synonyms: Ocplus - Operating characteristics plus sample size and local fdr for microarray

experiments

Resource Type: software resource

Defining Citation: PMID:16368770

Keywords: differential expression, microarray, multiple comparison

Funding:

Availability: GNU Lesser General Public License

Resource Name: OCplus

Resource ID: SCR_001342

Alternate IDs: OMICS_01999

Record Creation Time: 20220129T080207+0000

Record Last Update: 20250420T014027+0000

Ratings and Alerts

No rating or validation information has been found for OCplus.

No alerts have been found for OCplus.
