NTAP

RRID:SCR_001488

Type: Tool

Proper Citation

NTAP (RRID:SCR_001488)

Resource Information

URL: <http://ntap.cbi.pku.edu.cn/usage.php>

Proper Citation: NTAP (RRID:SCR_001488)

Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 23,2022. Software for tiling array data analysis to survey the genome-wide binding sites of transcription factor HY5 in Arabidopsis and the genome-wide histone modifications/DNA methylation level in rice. It was developed in the process of generating NimbleGen analysis. Written in R and Perl.

Abbreviations: NTAP

Synonyms: NimbleGen Tiling array Analysis Package, NimbleGen Tilingarray Analysis Package

Resource Type: software resource, data processing software, software application, data analysis software

Defining Citation: [PMID:19468055](#)

Keywords: software, tiling array, data analysis, rice, arabidopsis, hy5, transcription factor, genome

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: NTAP

Resource ID: SCR_001488

Alternate IDs: OMICS_00808

Record Creation Time: 20220129T080207+0000

Record Last Update: 20260804T043120+0000

Ratings and Alerts

No rating or validation information has been found for NTAP.

No alerts have been found for NTAP.
