ToppCluster

RRID:SCR_001503

Type: Tool

Proper Citation

ToppCluster (RRID:SCR_001503)

Resource Information

URL: <http://toppcluster.cchmc.org/>

Proper Citation: ToppCluster (RRID:SCR_001503)

Description: A tool for performing multi-cluster gene functional enrichment analyses on large scale data (microarray experiments with many time-points, cell-types, tissue-types, etc.). It facilitates co-analysis of multiple gene lists and yields as output a rich functional map showing the shared and list-specific functional features. The output can be visualized in tabular, heatmap or network formats using built-in options as well as third-party software. It uses the hypergeometric test to obtain functional enrichment achieved via the gene list enrichment analysis option available in ToppGene.

Abbreviations: ToppCluster

Synonyms: ToppCluster: A multiple gene list feature analyzer for the dissection of biological systems

Resource Type: data analysis service, resource, analysis service resource, production service resource, service resource

Defining Citation: [PMID:20484371](#)

Keywords: term enrichment, gene, analysis, gene enrichment analysis, connectivity, heatmap, ortholog, microarray, function, bio.tools

Funding: NIDDK 1U01DK70219;
NIDDK P30DK078392;
NCRR U54 RR025216;
NIDCR U01DE020049

Availability: Free

Resource Name: ToppCluster

Resource ID: SCR_001503

Alternate IDs: OMICS_02225, nlx_152801, biotools:toppcluster

Alternate URLs: <https://bio.tools/toppcluster>

Record Creation Time: 20220129T080207+0000

Record Last Update: 20260805T044024+0000

Ratings and Alerts

No rating or validation information has been found for ToppCluster .

No alerts have been found for ToppCluster .
