

Resource Summary Report

Generated by RRID on Aug 5, 2026

Characterizing unidirectional couplings between point processes and flows

RRID:SCR_001663

Type: Tool

Proper Citation

Characterizing unidirectional couplings between point processes and flows
(RRID:SCR_001663)

Resource Information

URL: <https://iopscience.iop.org/article/10.1209/0295-5075/96/50012>

Proper Citation: Characterizing unidirectional couplings between point processes and flows (RRID:SCR_001663)

Description: Source code that allows you to calculate the different measures used in Andrzejak and Kreuz 2011, <http://iopscience.iop.org/0295-5075/96/5/50012>

Abbreviations: Characterizing unidirectional couplings between point processes and flows

Resource Type: software resource, source code

Keywords: coupling, point process, flow

Availability: Free, Freely Available

Resource Name: Characterizing unidirectional couplings between point processes and flows

Resource ID: SCR_001663

Alternate IDs: nlx_153988

Record Creation Time: 20220129T080208+0000

Record Last Update: 20260804T043127+0000

Ratings and Alerts

No rating or validation information has been found for Characterizing unidirectional couplings between point processes and flows.

No alerts have been found for Characterizing unidirectional couplings between point processes and flows.

Data and Source Information
