System for Earth Sample Registration

RRID:SCR_002222

Type: Tool

Proper Citation

System for Earth Sample Registration (RRID:SCR_002222)

Resource Information

URL: <http://www.geosamples.org/>

Proper Citation: System for Earth Sample Registration (RRID:SCR_002222)

Description: Sample Catalog and Registry for the International Geo Sample Number. SESAR catalogs and preserves sample metadata profiles, and provides access to the sample catalog via the Global Sample Search.

Abbreviations: SESAR

Resource Type: catalog, data or information resource, database

Keywords: international geo sample number, metadata, sample, biology, gas, liquid, mineral, particulate, rock, sediment, soil, register

Funding: NSF

Availability: Free, Freely available

Resource Name: System for Earth Sample Registration

Resource ID: SCR_002222

Alternate IDs: nlx_154747, r3d100010420

Alternate URLs: <https://doi.org/10.17616/R3H89M>

Record Creation Time: 20220129T080212+0000

Record Last Update: 20260905T132954+0000

Ratings and Alerts

No rating or validation information has been found for System for Earth Sample Registration.

No alerts have been found for System for Earth Sample Registration.
