NIS-Elements Basic Research

RRID:SCR_002776

Type: Tool

Proper Citation

NIS-Elements Basic Research (RRID:SCR_002776)

Resource Information

URL: <http://www.nikoninstruments.com/Products/Software/NIS-Elements-Basic-Research>

Proper Citation: NIS-Elements Basic Research (RRID:SCR_002776)

Description: Software tool for acquisition and device control for standard research applications, requiring four dimensional imaging. Provides access to advanced image capture, archiving, and analysis solutions that are easy-to-use and provide maximum workflow. Handles multi dimensional imaging with support for capture, display, data management, analysis and additional options for peripheral device control, and multi-dimensional acquisition. Provides advanced image processing options such as database capabilities and report generation, intensity over time measurement, and Extended Depth of Focus functionality.

Abbreviations: NIS-Elements BR

Resource Type: software application, image analysis software, image processing software, software resource, data processing software

Keywords: microscope, image acquisition, device control, multi dimensional imaging, apture, display, data management, data analysis

Availability: Free

Resource Name: NIS-Elements Basic Research

Resource ID: SCR_002776

Alternate IDs: SciRes_000190

Record Creation Time: 20220129T080215+0000

Record Last Update: 20260812T044037+0000

Ratings and Alerts

No rating or validation information has been found for NIS-Elements Basic Research.

No alerts have been found for NIS-Elements Basic Research.

Data and Source Information
