## Influenza Virus Resource

RRID:SCR\_002984

Type: Tool

### Proper Citation

Influenza Virus Resource (RRID:SCR\_002984)

### Resource Information

**URL:** <http://www.ncbi.nlm.nih.gov/genomes/FLU/>

**Proper Citation:** Influenza Virus Resource (RRID:SCR\_002984)

**Description:** Database of data obtained from the NIAID Influenza Genome Sequencing Project as well as from GenBank, combined with tools for flu sequence analysis and annotation. In addition, it provides links to other resources that contain flu sequences, publications and general information about flu viruses. Users can search the Flu database, build queries, retrieve sequences, and apply analysis tools. This includes selecting influenza sequences by virus, subtype, host, and other criteria, finding complete genome sets, aligning sequence and others in the database (up to 1000 sequences), viewing clustering and phylogenetic trees, BLAST searching a flu sequence against the database, and more.

**Abbreviations:** Influenza Virus Resource

**Synonyms:** NCBI Influenza Virus Resource

**Resource Type:** data or information resource, database

**Defining Citation:** [PMID:17942553](#)

**Keywords:** genomics, genome, flu, variation, annotation, blast, cluster, phylogenetic tree, align, data analysis service

**Related Condition:** Influenza virus

**Availability:** Free, Available for download, Freely available

**Resource Name:** Influenza Virus Resource

**Resource ID:** SCR\_002984

**Alternate IDs:** nif-0000-03023, r3d100011004

**Alternate URLs:** <https://doi.org/10.17616/R3S61C>

**Record Creation Time:** 20220129T080216+0000

**Record Last Update:** 20260905T133119+0000

---

## Ratings and Alerts

No rating or validation information has been found for Influenza Virus Resource.

No alerts have been found for Influenza Virus Resource.

---

## Data and Source Information
