Madagascar

RRID:SCR_003274

Type: Tool

Proper Citation

Madagascar (RRID:SCR_003274)

Resource Information

URL: http://www.reproducibility.org/wiki/Main_Page

Proper Citation: Madagascar (RRID:SCR_003274)

Description: Software package for multidimensional data analysis and reproducible computational experiments. It aims to provide a powerful environment and a convenient technology transfer tool for researchers working with digital image and data processing in geophysics and related fields., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Resource Type: software toolkit, data processing software, software application, data analysis software, software resource, source code

Keywords: geophysics, seismology, seismic data, python, c, reproducibility

Availability: Free, Available for download, Freely available

Resource Name: Madagascar

Resource ID: SCR_003274

Alternate IDs: nif-0000-01270

Alternate URLs: https://ahay.org/wiki/Main_Page

License: GNU GP License, GNU Free Documentation License 1.3

Record Creation Time: 20220129T080218+0000

Record Last Update: 20260815T182230+0000

Ratings and Alerts

No rating or validation information has been found for Madagascar.

No alerts have been found for Madagascar.
