## Amplicon

RRID:SCR\_003294

Type: Tool

---

### Proper Citation

Amplicon (RRID:SCR\_003294)

---

### Resource Information

**URL:** <http://sourceforge.net/projects/amplicon/>

**Proper Citation:** Amplicon (RRID:SCR\_003294)

**Description:** Software tool for designing PCR primers on aligned groups of DNA sequences. The most important application is the design of "group-specific" PCR primer sets that amplify a DNA region from a given taxonomic group but do not amplify orthologous regions from other taxonomic groups. It is written in Python 2.3 and Tkinter 8.4. The current script was created for Windows and an executable is available. Future versions of the script should be able to run on Linux and Mac

**Abbreviations:** Amplicon

**Resource Type:** software resource

**Defining Citation:** [PMID:14962918](#)

**Keywords:** python, pcr primer, pcr, primer, tkinter, windows, dna sequence

**Availability:** Free, Available for download, Freely available

**Resource Name:** Amplicon

**Resource ID:** SCR\_003294

**Alternate IDs:** OMICS\_02329

**Old URLs:** <http://www.aad.gov.au/amplicon>

**Record Creation Time:** 20220129T080218+0000

**Record Last Update:** 20260801T190219+0000

---

### Ratings and Alerts

No rating or validation information has been found for Amplicon.

No alerts have been found for Amplicon.
