Type: Tool

Proper Citation

qPrimerDepot (RRID:SCR_003469)

Resource Information

URL: <http://primerdepot.nci.nih.gov/>

Proper Citation: qPrimerDepot (RRID:SCR_003469)

Description: A database that provides quantitative real time (qRT) PCR primers for 99.96% human RefSeq sequences. For 99% of intron-bearing genes, the PCR product will cross an exon-exon border which overlaps one of the largest introns. Primers are assumed to have a uniform annealing temperature of 60C, allowing them to be used in large-scale assays.

Abbreviations: qPrimerDepot

Synonyms: qPrimerDepot - A quantitative real time PCR primer database

Resource Type: data or information resource, database

Defining Citation: [PMID:17068075](#)

Keywords: molecular probe, primer, quantitative real time pcr primer, refseq, quantitative real time pcr, FASEB list

Resource Name: qPrimerDepot

Resource ID: SCR_003469

Alternate IDs: OMICS_02324, nif-0000-03381

Record Creation Time: 20220129T080219+0000

Record Last Update: 20260801T190911+0000

Ratings and Alerts

No rating or validation information has been found for qPrimerDepot.

No alerts have been found for qPrimerDepot.
