Resource Information

URL: <http://www.ted.com/>

Proper Citation: TED (RRID:SCR_003739)

Description: A nonprofit devoted to spreading ideas, usually in the form of short, powerful talks (18 minutes or less). TED began as a conference where Technology, Entertainment and Design converged, and today covers almost all topics - from science to business to global issues - in more than 100 languages. Meanwhile, independently run TEDx events help share ideas in communities around the world.
