Proper Citation: Philips Research (RRID:SCR_003871)

Description: A global organization that helps Philips introduce innovations that improve people's lives by providing technology options for innovations in the area of health and well-being, targeted at both developed and emerging markets. Positioned at the front-end of the innovation process, they work on everything from spotting trends and ideation to proof of concept and - where needed - first-of-a-kind product development.
