Description: The Louisiana Organ Procurement Agency (LOPA) is the federally-designated organ procurement organization for the State of Louisiana. The agency focuses on educating the medical community and the general public about organ and tissue donation issues, working with families through the donation process, recovering donated organs and tissue, and placing the organs and tissue for transplant. Our mission is to save and enhance lives through organ and tissue donation. We envision a world in which no one suffers due to a lack of donor organs or tissues. LOPA has its main office in Metairie, with regional offices in Lafayette, and Shreveport. Additionally, LOPA has representatives in Baton Rouge, Alexandria, Lake Charles, and Monroe.
