MOSAIK

RRID:SCR_005486

Type: Tool

Proper Citation

MOSAIK (RRID:SCR_005486)

Resource Information

URL: <http://code.google.com/p/mosaik-aligner/>

Proper Citation: MOSAIK (RRID:SCR_005486)

Description: A reference-guided assembler comprising of two main modular programs: MosaikBuild and MosaikAligner. MosaikBuild converts various sequence formats into Mosaik's native read format. MosaikAligner pairwise aligns each read to a specified series of reference sequences and produces BAMs as outputs. At this time, the workflow consists of supplying sequences in FASTA, FASTQ, Illumina Bustard & Gerald, or SRF file formats and producing results in the BAM format. Unlike many current read aligners, MOSAIK produces gapped alignments using the Smith-Waterman algorithm. MOSAIK is written in highly portable C++ and currently targetted for the following platforms: Microsoft Windows, Apple Mac OS X, FreeBSD, and Linux operating systems. Other platforms can easily be supported upon request. MOSAIK is multithreaded. If you have a machine with 8 processors, you can use all 8 processors to align reads faster while using the same memory footprint as when using one processor. MOSAIK supports multiple sequencing technologies. In addition to legacy technologies such as Sanger capillary sequencing, our program supports next generation technologies such as Roche 454, Illumina, AB SOLiD, and experimental support for the Helicos Heliscope.

Abbreviations: MOSAIK

Synonyms: mosaik-aligner

Resource Type: software resource

Keywords: next-generation sequencing, alignment, smith-waterman algorithm, c++, computational biology, reference guided aligner

Availability: Free, Freely available

Resource Name: MOSAIK

Resource ID: SCR_005486

Alternate IDs: OMICS_00669

Alternate URLs: <https://sources.debian.org/src/mosaik-aligner/>

License: GNU General Public License, v2+, MIT License

Record Creation Time: 20220129T080230+0000

Record Last Update: 20260801T190253+0000

Ratings and Alerts

No rating or validation information has been found for MOSAIK.

No alerts have been found for MOSAIK.
