FLASH

RRID:SCR_005531

Type: Tool

Proper Citation

FLASH (RRID:SCR_005531)

Resource Information

URL: <http://ccb.jhu.edu/software/FLASH/>

Proper Citation: FLASH (RRID:SCR_005531)

Description: Open source software tool to merge paired-end reads from next-generation sequencing experiments. Designed to merge pairs of reads when original DNA fragments are shorter than twice length of reads. Can improve genome assemblies and transcriptome assembly by merging RNA-seq data.

Abbreviations: FLASH

Synonyms: Fast Length Adjustment of SHort reads, Fast Length Adjustment of Short reads

Resource Type: data analysis software, data processing software, sequence analysis software, software application, software resource

Defining Citation: [PMID:21903629](#)

Keywords: bio.tools

Funding: NHGRI R01 HG006677;
NIGMS R01 GM083873;
NLM R01 LM006845

Availability: Free, Available for download, Freely available

Resource Name: FLASH

Resource ID: SCR_005531

Alternate IDs: biotools:flash, OMICS_01047

Alternate URLs: <https://sourceforge.net/projects/flashpage/files/>, <https://bio.tools/flash>, <https://sources.debian.org/src/flash/>

Record Creation Time: 20220129T080230+0000

Record Last Update: 20260905T132537+0000

Ratings and Alerts

No rating or validation information has been found for FLASH.

No alerts have been found for FLASH.
