Type: Tool

Proper Citation

Hormone Health Network (RRID:SCR_005765)

Resource Information

URL: <http://www.hormone.org/>

Proper Citation: Hormone Health Network (RRID:SCR_005765)

Description: A portal for hormone-related health information for the public, physicians, allied health professionals and the media. It serves as a resource for the public by promoting the prevention, treatment and cure of hormone-related conditions through outreach and education. It provides free educational materials, public forums, physician referral service, and media education campaigns. It offers a library of educational materials and programs covering a wide range of endocrine topics, including adrenal disorders, breast cancer, diabetes, osteoporosis, stress, thyroid disease and cancer.

Resource Type: portal, narrative resource, topical portal, data or information resource, training material

Keywords: topical portal, training material, hormone, hormone related health information, educational material

Related Condition: Endocrine disorder, Endocrine system disease

Availability: Public

Resource Name: Hormone Health Network
