Automatic Registration Toolbox

RRID:SCR_005993
Type: Tool

Proper Citation

Automatic Registration Toolbox (RRID:SCR_005993)

Resource Information

URL: http://www.nitrc.org/projects/art

Proper Citation: Automatic Registration Toolbox (RRID:SCR_005993)

Description: ART ""acpcdetect"" program for automatic detection of the AC and PC landmarks and the mid-sagittal plane on 3D structural MRI scans. ART ""brainwash"" program for automatic multi-atlas skull-stripping of 3D structural MRI scans. ART ""3dwarper"" program of non-linear inter-subject registration of 3D structural MRI scans. Software (art2) for linear rigid-body intra-subject inter-modality (MRI-PET) image registration. Data resource: The ART projects makes available corpus callosum segmentations of 316 normal subjects from the OASIS cross-sectional database. ART ""yuki"" program for fast, robust, and fully automatic segmentation of the corpus callosum on 3D structural MRI scans.

Abbreviations: ART

Resource Type: data or information resource, data processing software, image analysis software, image collection, image processing software, software application, software resource, software toolkit

Keywords: artifact removal, intermodal, intersubject, intramodal, intrasubject, image-to-template, nearest neighbor, spline interpolation, tri-linear, affine warp, nonlinear warp, image display, corpus callosum, segmentation, mri, registration, structural mri, image registration, pet, nifti

Related Condition: Normal

Availability: Free, Non-commercial

Resource Name: Automatic Registration Toolbox

Resource ID: SCR_005993

Alternate IDs: nlx_151368

Record Creation Time: 20220129T080233+0000

Record Last Update: 20260905T132545+0000

Ratings and Alerts

No rating or validation information has been found for Automatic Registration Toolbox.

No alerts have been found for Automatic Registration Toolbox.

Data and Source Information

Source: SciCrunch Registry

Usage and Citation Metrics

We found 23 mentions in open access literature.

Listed below are recent publications. The full list is available at RRID .
