Proper Citation: Pathpedia.com - Online pathology resource (RRID:SCR_006482)

Description: Pathpedia.com is web-based wiki on human anatomical, clinical, and experimental pathology created for pathologists. This collaborative portal includes news, education, jobs, meetings, forums and links. The Education tab includes access to journals, books, CME / SAM/ CMIL, WikiBooks, eAtlas, etc. The eAtlas module allows you post unusual and difficult pathology cases to be reviewed by other pathologists across the globe. This module may help in identifying previously unreported entities and unusual / variant examples of known entities. Categories include Histopathology, Gross pathology, Normal histology, Image quiz and Case sharing. Immunopedia - A clinically useful web-based database on the immunohistochemical and flow cytometric evaluation of neoplasms. 1. Large database 2. Regular updates 3. Quality citations 4. Exquisite modules *Data included for both neoplastic & non-neoplastic tissues/cells *Clones indicated wherever applicable along with their markers *References cited for each piece of data on markers or diseases *Option provided to merge data of discrete disease categories Online case sharing *Share unusual cases with pathology community *Help identify previously unreported entities *Get expert reviews and comments from your peers
