Decombinator

RRID:SCR_006732
Type: Tool

Proper Citation

Decombinator (RRID:SCR_006732)

Resource Information

URL: https://github.com/uclinfectionimmunity/Decombinator

Proper Citation: Decombinator (RRID:SCR_006732)

Description: Software suite for analysis of T cell receptor repertoire data. Used for fast, efficient analysis of T cell receptor (TcR) repertoire samples, designed to be accessible to those with no previous programming experience.

Synonyms: Decombinator v2.2, Decombinator v4.0.3

Resource Type: software toolkit, data analysis software, software application, software resource, data processing software

Defining Citation: PMID:23303508, PMID:32853330

Keywords: Python, t-cell receptor sequence, t-cell receptor, sequence, deep sequencing, TCR repertoires, repertoire data, bio.tools

Availability: Free, Available for download, Freely available

Resource Name: Decombinator

Resource ID: SCR_006732

Alternate IDs: biotools:decombinator, OMICS_00001

Alternate URLs: https://github.com/innate2adaptive/Decombinator, https://bio.tools/decombinator

Record Creation Time: 20220129T080237+0000

Record Last Update: 20260801T190312+0000

Ratings and Alerts

No rating or validation information has been found for Decombinator.

No alerts have been found for Decombinator.

Data and Source Information
