Proper Citation: Transdisciplinary Tobacco Use Research Centers (RRID:SCR_006858)

Description: A transdisciplinary approach to the full spectrum of basic and applied research on tobacco use to reduce the disease burden of tobacco use, including: * Etiology of tobacco use and addiction * Impact of advertising and marketing * Prevention of tobacco use * Treatment of tobacco use and addiction * Identification of biomarkers of tobacco exposure * Identification of genes related to addiction and susceptibility to harm from tobacco Goals * Increase the number of investigators from relevant disciplines who focus on the study of tobacco use as part of transdisciplinary teams. * Generate basic research evidence to improve understanding of the etiology and natural history of tobacco use. * Produce evidence-based tobacco use interventions that can translate to the community and specific understudied or underserved populations. * Increase the number of evidence-based interventions that are novel, including the development, testing and dissemination of innovative behavioral treatments and prevention strategies based upon findings from basic research. * Train transdisciplinary investigators capable of conducting cutting-edge tobacco use research. * Increase the number of peer-reviewed publications in the areas of tobacco use, nicotine addiction, and treatment.

Abbreviations: TTURC

Resource Type: topical portal, data or information resource, portal, disease-related portal

Keywords: gene, genetic factor, addiction gene, behavioral treatment, biomarker, molecule, nicotine use disorder, prevention, psychosocial factor, smoking, smoking cessation, tobacco exposure, treatment, nicotine, prevention, tobacco, intervention

Related Condition: Nicotine use disorder, Addiction

Funding: NCI ;
NIDA ;
NIAAA

Resource Name: Transdisciplinary Tobacco Use Research Centers

Resource ID: SCR_006858

Alternate IDs: nif-0000-24133

Record Creation Time: 20220129T080238+0000

Record Last Update: 20260804T043311+0000

Ratings and Alerts

No rating or validation information has been found for Transdisciplinary Tobacco Use Research Centers.
