Proper Citation: National Institutes of Health Research Portfolio Online Reporting Tool
(RRID:SCR_006874)

Description: A database of federally funded biomedical research projects conducted at universities, hospitals, and other research institutions that provides a central point of access to reports, data, and analyses of NIH research. The RePORTER has replaced the CRISP database. The database, maintained by the Office of Extramural Research at the National Institutes of Health, includes projects funded by the National Institutes of Health (NIH), Substance Abuse and Mental Health Services (SAMHSA), Health Resources and Services Administration (HRSA), Food and Drug Administration (FDA), Centers for Disease Control and Prevention (CDCP), Agency for Health Care Research and Quality (AHRQ), and Office of Assistant Secretary of Health (OASH).

Abbreviations: RePORTER, RePORT

Synonyms: NIH RePORT, NIH RePORTER

Resource Type: database, data or information resource

Keywords: government grant information, government grant, grant data, granting agency, grant, funding, award, biomedical, research, report, analysis, nih research

Resource Name: National Institutes of Health Research Portfolio Online Reporting Tool

Resource ID: SCR_006874

Alternate IDs: nif-0000-10319

Record Creation Time: 20220129T080238+0000

Ratings and Alerts

No rating or validation information has been found for National Institutes of Health Research Portfolio Online Reporting Tool.

No alerts have been found for National Institutes of Health Research Portfolio Online Reporting Tool.
