Proper Citation: Life Extension: Laboratory and Blood Testing Services (RRID:SCR_007167)

Description: Blood testing is the single most important preventive tool you can use to help head off health problems. Life Extension makes it possible to take advantage of that tool at a fraction of the cost commercial blood labs charge. Get a picture of your overall health. Identify potential disease risks. Test for specific problems with comprehensive blood test panels and individualized tests like these: * Male and Female Comprehensive Panels * Cardiac Risk Factors * Vitamin Deficiencies * Hormone and Thyroid Panels * Metabolic and Chemistry Profiles

Synonyms: Blood Testing Services
