Proper Citation: IPD-ESTDAB- The European Searchable Tumour Line Database (RRID:SCR_007746)

Description: The European Searchable Tumour Line Database (ESTDAB) Database and Cell Bank provide a service enabling investigators to search online for HLA typed, immunologically characterised tumour cells as part of the European Commission Fifth Framework Infrastructures Program. The following tools and pages are available in ESTDAB: :* Search ESTDAB on primary search determinants :* Search ESTDAB on all search determinants :* Dictionary of markers and techniques used

Synonyms: IPD-ESTDAB

Resource Type: data or information resource, database

Resource Name: IPD-ESTDAB- The European Searchable Tumour Line Database

Resource ID: SCR_007746

Alternate IDs: nif-0000-03039
