Proper Citation: DE-ID Data Corp (RRID:SCR_008668)

Description: A commercial organization that supplies software which creates separate HIPAA-compliant repositories of de-identified patient records and reports. This software allows clinicians, researchers, and administrative leadership to safely access, search, share, and analyze de-identified patient-level data. DE-ID can be acquired as stand-alone tool or integrated with data networks or clinical information systems.

Synonyms: DE-ID Data Corp
