POWER

RRID:SCR_009057

Type: Tool

Proper Citation

POWER (RRID:SCR_009057)

Resource Information

URL: <http://dceg.cancer.gov/tools/design/power>

Proper Citation: POWER (RRID:SCR_009057)

Description: Windows-based program for computation of sample size and power for binary outcome studies (case-control and cohort studies) based on a logistic-like regression model with one covariate or two covariates (e.g., gene-exposure interactions). (entry from Genetic Analysis Software)

Abbreviations: POWER

Resource Type: software application, software resource

Keywords: gene, genetic, genomic, ms-window

Resource Name: POWER

Resource ID: SCR_009057

Alternate IDs: nlx_154038

Old URLs: <http://dceg.cancer.gov/POWER/>

Record Creation Time: 20220129T080250+0000

Record Last Update: 20260805T044218+0000

Ratings and Alerts

No rating or validation information has been found for POWER.

No alerts have been found for POWER.

Data and Source Information

Usage and Citation Metrics

We found 584 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .
