GHOST

RRID:SCR_009209

Type: Tool

Proper Citation

GHOST (RRID:SCR_009209)

Resource Information

URL: <http://www.sph.umich.edu/csg/chen/ghost/>

Proper Citation: GHOST (RRID:SCR_009209)

Description: Software package for family-based genomewide association (GWA) analysis, with the ability to infer missing genotypes using the Elston-Stewart algorithm. When SNPs from an association panel are less complete (i.e., having more missing genotypes) than markers from a linkage panel, many of the missing genotypes can be determined. GHOST can handle large pedigrees -- when pedigrees are small, Merlin is also recommended for this analysis. (entry from Genetic Analysis Software)

Abbreviations: GHOST

Resource Type: software application, software resource

Keywords: gene, genetic, genomic

Resource Name: GHOST

Resource ID: SCR_009209

Alternate IDs: nlx_154357

Record Creation Time: 20220129T080251+0000

Record Last Update: 20260805T044219+0000

Ratings and Alerts

No rating or validation information has been found for GHOST.

No alerts have been found for GHOST.

Data and Source Information

Usage and Citation Metrics

We found 68 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .
