KING

RRID:SCR_009251

Type: Tool

Proper Citation

KING (RRID:SCR_009251)

Resource Information

URL: <http://people.virginia.edu/~wc9c/KING/>

Proper Citation: KING (RRID:SCR_009251)

Description: Software toolset that makes use of high-throughput SNP data typically seen in a genome-wide association study (GWAS) for applications such as family relationship inference and population structure identification (entry from Genetic Analysis Software)

Abbreviations: KING

Synonyms: Kinship-based INference for Gwas

Resource Type: software application, software resource

Keywords: gene, genetic, genomic, c++, linux, (64bit), ms-windows, ms-dos, macos, ubuntu, (32bit)

Resource Name: KING

Resource ID: SCR_009251

Alternate IDs: nlx_154419

Record Creation Time: 20220129T080251+0000

Record Last Update: 20260805T044220+0000

Ratings and Alerts

No rating or validation information has been found for KING.

No alerts have been found for KING.

Data and Source Information

Usage and Citation Metrics

We found 1124 mentions in open access literature.

Listed below are recent publications. The full list is available at [RRID](#) .
