Best Practices for Software Development

RRID:SCR_009441

Type: Tool

Proper Citation

Best Practices for Software Development (RRID:SCR_009441)

Resource Information

URL: http://www.nitrc.org/projects/best_practices/

Proper Citation: Best Practices for Software Development (RRID:SCR_009441)

Description: A tutorial that took place as part of MICCAI 2010 is the 13th International Conference on Medical Image Computing and Computer Assisted Intervention, September 20-24, 2010 in Beijing, China. See <http://www.miccai2010.org/> This project supported community outreach and dialog between presenters and audience, both before and after the tutorial session, and is intended to engage the broader community in the deliberations on this important topic. "Best Practices" covered software engineering practices as well end-user installation and support practices.
