Proper Citation: Groupwise Image Registration Toolbox (RRID:SCR_009492)

Description: A method for group-wise image registration by pairwisely registering similar images identified using graph theoretic techniques. Particularly, they use sparse coding to estimate image similarity measures among images to be registered, yielding asymmetric, group-wise image similarity measures for each image to others in the group.

Abbreviations: Groupwise Image Registration

Resource Type: software application, registration software, data processing software, image analysis software, software resource

Keywords: domain independent
