## Jim

RRID:SCR\_009589

Type: Tool

---

### Proper Citation

Jim (RRID:SCR\_009589)

---

### Resource Information

**URL:** <http://www.xinapse.com/>

**Proper Citation:** Jim (RRID:SCR\_009589)

**Description:** A medical image display package that allows easy viewing and analysis of Magnetic Resonance, x-ray CT and other types of medical image. Jim is an up-to-the-minute design with a familiar user-interface.

**Abbreviations:** Jim

**Resource Type:** data processing software, image analysis software, software application, software resource

**Keywords:** reusable library, analyze, computed tomography, dicom, domain independent, gnome, java, kde, linux, macos, microsoft, magnetic resonance, nifti, optical imaging, pet, spect, posix/unix-like, sunos/solaris, vrml, win32 (ms windows)

**Availability:** Commercial

**Resource Name:** Jim

**Resource ID:** SCR\_009589

**Alternate IDs:** nlx\_155779

**Alternate URLs:** <http://www.nitrc.org/projects/jim>

**Record Creation Time:** 20220129T080253+0000

**Record Last Update:** 20260905T133045+0000

---

### Ratings and Alerts

No rating or validation information has been found for Jim.

No alerts have been found for Jim.
