Penn Automated Claims and Medical Record Databases (RRID:SCR_009643)

Resource Information

URL: <http://www.itmat.upenn.edu/ctsa/acard/>

Proper Citation: Penn Automated Claims and Medical Record Databases (RRID:SCR_009643)

Description: A core facility in the Center for Pharmacoepidemiology Research and Training created to foster epidemiologic research into therapeutics, using large population-based automated claims databases (Medicaid/Medicare) and medical records databases (GPRD and THIN), and the FDA's adverse event reporting system (FAERS) database. Goals: * Encourage investigators with diverse training to conduct studies focused on translational therapeutics and drug safety * Provide access to large databases that allow for rapid and cost-effective research on therapeutics and drug safety * Foster collaboration with CTSA sites outside of Penn who wish to use these databases for clinical research

Abbreviations: Penn ACARD

Resource Type: access service resource, core facility, service resource

Keywords: epidemiology, therapeutics

Resource Name: Penn Automated Claims and Medical Record Databases

Resource ID: SCR_009643

Alternate IDs: nlx_156115

Record Creation Time: 20220129T080254+0000

Record Last Update: 20260905T133330+0000
