Description: THIS RESOURCE IS NO LONGER IN SERVICE This is the website for a weekly social event called Dangerous Ideas, to promote more cross talk and cross pollination of ideas. There is a list of links to interesting new tools and technologies in the realm of computation and science. We'll be experimenting with webcasting this so others who can't physically join us can share in seeing what we think is cool. Its a completely open event-- anyone is welcome to join in, but should be prepared to present!
