Proper Citation: Applied Biosciences (RRID:SCR_012275)

Description: Applied Biosciences is a small minority owned LLC. We specialize in hormone assays from the very small (30 g to the 5000 kg elephant) to the very large. We have a vast experience of knowledge in the endocrine field. Our experts are board certified in animal pharmacology as well as theriogenology. Combined with our Endocrinologist, there is over 75 years of experience with animal medicine and more specifically endocrinology of many animal species.

Abbreviations: Applied Biosciences
