Proper Citation: Emory University Rodent Behavioral Core (RRID:SCR_012499)

Description: One of the Emory Integrated Core Facilities (EICF), is supported by Emory University School of Medicine and the Georgia Clinical and Translational Science Alliance. We plan, execute, and analyze behavioral experiments examining activity, arousal, coordinated movement, learning and memory, anxiety, depression, seizure susceptibility, reward/reinforcement, and aggression in mice and rats.

Abbreviations: RBC

Synonyms: Emory University School of Medicine Rodent Behavioral Core, Emory Rodent Behavioral Core

Resource Type: service resource, access service resource, core facility

Keywords: analyze behavioral experiments, mice, rats, activity, arousal, coordinated movement, learning and memory, anxiety, depression, seizure susceptibility, USEDit, ABRF

Resource Name: Emory University Rodent Behavioral Core

Resource ID: SCR_012499

Alternate IDs: SciEx_284, ABRF_1754

Alternate URLs: <https://coremarketplace.org/?FacilityID=1754&citation=1>

Old URLs: <http://www.scienceexchange.com/facilities/rodent-behavioral-core-emory>

Record Creation Time: 20220129T080310+0000

Record Last Update: 20260804T043456+0000

Ratings and Alerts

No rating or validation information has been found for Emory University Rodent Behavioral Core.

No alerts have been found for Emory University Rodent Behavioral Core.
